## Spay/Neuter Contract

This agreement is between the breeder/seller Triple Cross Aussies (Trace and Julie Moore) and the buyer \_\_\_\_\_ (hereafter referred to as the buyer).

The seller agrees to sell and the buyer agrees to purchase the below described puppy/dog under a spay/neuter contract. The buyer has purchased the puppy at a pet only price and agrees not to breed the below described puppy/dog. The buyer will have the puppy spayed or neutered (whichever applies) by the time the puppy reaches eight months of age. If the puppy/dog is already eight months of age or older, then the buyer will have a time period of two weeks from the time of purchase (dated on this contract), to have the puppy/dog spayed or neutered. The buyer acknowledges that they will not receive registration paperwork at time of purchase under this contract. Once the puppy/dog is spayed or neutered, the buyer may request the registration paperwork from the seller. In order to facilitate this request, the request must come via US mail and must be sent **certified mail**. A copy of this form must accompany the request, along with a signed statement (verifying spay/neuter) from the buyer's veterinarian. The puppy or dog's microchip number must be recorded on the veterinarian's confirmation. The veterinarian's contact information must also be included. Breeder reserves the right to contact the buyer's veterinarian for verification purposes. No requests for paperwork will be considered after the puppy reaches nine months of age. In case of litigation the venue shall be Hood County, Texas.
